Dear Sir:

Applicant submitted a petition to revive the subject application after it went abandoned for failure to reply in a timely manner to the office action of 04/23/2007. Applicant filed a response to the office action with the petition but failed to put the claims in condition for allowance. The petition was dismissed by way of letter dated April 24, 2008. A courtesy copy of Examiner Washburn's unofficial advisory action was attached.

Applicant has communicated with Examiner Washburn and the set of claims in the attached office action response is in condition for allowance. Applicant further encloses a Request for Continued Examination with fees to satisfy requirements for the response after final office action.

Applicant now petitions the Commissioner of Patents to reconsider his petition and the enclosed set of claims, to revive his application and find the appended claims in condition for allowance.

Respectfully Submitted:
